

Chosen Retreat Updates & Packing List

On Friday May 17th we are leaving 3:30PM sharp from GGF. Please be here by 3PM the latest, so we can check you in that you have arrived. We will have some donuts and chocolate milk for those who come early (doors open 2:30PM).

**Parents you will be given phone numbers that day for contact in case of emergency (since we are an unplugged retreat).

Do note that in some places reception is poor and its best to contact the retreat center if calls are not going through.

Do not bring.

Since our retreat is an unplugged one, leave all phones, tablets, and smart watches home and come enjoy uninterrupted and unrushed time with Jesus.

There are no drugs, weapons, any form of tobacco or alcohol allowed on the retreat.

What I need to bring.

Snacks, even though we have plenty of food provided, snacks are always good to have.

Extra clothes to get dirty – there will time for sports and boating, and our young adults have an obstacle course – so bring some extra athletic clothes. And please choose modesty.

Sneakers, as well as some comfy shoes for down time.

Bring some warmer clothes too (it gets chilly at night in the mountains)

Towels, Sandals/Slides for showering.

Your own pillows and blanket/sleeping bag (sheets are provided).

Don't forget your toothbrush and toothpaste, soap and deodorant ☺

If you take medication, please let Pastor Sal know so we can be aware of any needs you may have and how we can help you as well.

Most importantly, bring an open heart for Jesus to do a mighty work in.
