Big Bible Stories for Little Kids Lesson 1

THIS WEEK'S LESSON: BIG SEA

Use these four common times in a preschooler's day to reinforce this week's lesson:

DRIVING:

As you drive, point out some of the street signs you see. Even if they can't read them, your little ones probably know what many of them mean already. Talk about our need to obey signs and traffic rules. Remind them that God loves us. We should obey Him and be willing to follow Him anywhere.

PLAYING:

Try a game that involves following some simple rules. Talk to your little ones about why it's important to follow the rules of the game. What are some rules that God wants us to follow in life? Why should we follow God's rules?

EATING:

During your mealtime prayer, thank God for his great love and his great power.

SNUGGLING:

Cuddle up with your little ones and tell them how much you love them. Remind them that God loves them deeply. Pray that God would help both of you to feel and experience His great love.
